Introducing Your Best Protection

OUR MISSION

ACWA JPIA is dedicated to consistently and cost effectively providing the broadest possible affordable insurance coverage and related services to its member agencies.

FORMED BY WATER AGENCIES FOR WATER AGENCIES

Water agencies have a unique set of risks not every provider can cover. In 1979, water agencies banded together to share their risks and associated insurance costs. They empowered ACWA JPIA to provide the best coverage for their needs ... and we delivered.

Today, we are the leader in providing California public water agencies with liability, property, and workers' compensation loss coverage programs as well as employee benefits. Serving only water agencies, our experience, expertise and knowledge are highly tuned to our members' unique requirements.

We are a strong, innovative organization. We continually evolve to serve our members' ever-changing demands with programs designed by them and for them. As your partner, we always battle for your agency's rights and best protection.

ADVANTAGES AT A GLANCE

- Strong, stable risk-sharing pool with over 360 members
- 100 percent member governed, member driven and member focused
- Complete protection programs tailored specifically to water agencies
- Programs with cost savings of 20 to 30 percent compared to commercial insurance
- Value-added services to help reduce claims, keep costs low and protect members
- Trustworthy, reliable and knowledgeable staff dedicated to each member
- Tools, technology and resources to support your agency's needs
- Resourceful, in-house staff with expertise in every service area

WATER AGENCIES HAVE A CHAMPION IN THE JPIA

Public entities created pools beginning in the early 1970s. In fact, ACWA JPIA evolved in 1979 after most commercial insurers abandoned the public entity market. As a result, public entities formed risk pools to reduce and stabilize long-term insurance costs and ensure access to coverage and service critical for local government functions such as the acquisition, treatment and delivery of water.

As a California special district, ACWA JPIA operates as a public entity. We are member owned, member governed and member driven. Our Board of Directors includes a representative from each member's board. Our Board elects an eight-member Executive Committee to work on its behalf with the JPIA management and staff.

Unlike the commercial insurance industry, which uses profits to measure success, ACWA JPIA provides services, coverage and risk management tools with the singular goal of servicing our members. We work closely with each of our members to provide customized programs, resources and services for their needs, no matter the agency size.

HOW WE WORK

Water Agencies must be a member of the Association of California Water Agencies to join the JPIA. Our Board and Executive Committee approve entry into the JPIA. Upon joining, members agree to share the cost of risk by contributing to pooled programs. This pool of funds pays for all member claims and, as a result, reduces the burden of long-term claim costs for all members. At the end of each program year, if claims costs are below anticipated levels, members may be eligible for refunds. ACWA JPIA is proud to be a partner with water agencies throughout California. Quite simply, ACWA JPIA is a proven source of innovation, expertise, education and financial stability.
